# TECHNOLOGY CHECKLIST

---

## 1. INTRODUCTION

---

I am not a fan of writing overly long documents as this can be a real turnoff for people and they usually choose not to read them. So to stay on that theme, what you will find here is short and sweet and useful.

This resource is associated with the Video/Quiz that you can check out (for free) by clicking on the following graphic:

## Overcome the Top 3 Online Business Challenges

(Scroll down below video for quiz - resources included at the end of quiz)

**Begin**

To view our privacy policy --> <http://getpaidbootcamp.com/privacy-policy>

Or if something is preventing you from doing that, click or copy and paste the following:
